

MusicPlayerMVVM.ViewModels.
HipHopViewModel.HipHopViewModel

```
graph LR; A[MusicPlayerMVVM.ViewModels.HipHopViewModel.HipHopViewModel] --> B[MusicPlayerMVVM.ViewModels.HipHopViewModel.BackToHomeExecute]
```

A diagram showing a call from the HipHopViewModel class to the BackToHomeExecute method. The source is represented by a white box on the left, and the target is a gray box on the right. A blue arrow points from the source to the target.
